FOR MEMBERS AND FRIENDS

PER I SOCI E AMICI

PRESIDENT'S MESSAGE

I hope that everyone had a healthy and safe summer despite some of our hot and humid days. Summer vacation is nearing the end. Our children and grandchildren are preparing themselves for the next school year. Just a small reminder, that scholarships and bursaries are available through the club for our students.

Due to recent developments in the club, we are currently in need of a new manager. We would like to extend to the members the opportunity to apply for the position. If we do not receive interest internally, we will need to advertise the position to the outside public. If you are interested please apply as soon as possible as we would like to have the manager position filled by the next general assembly in September.

August is a month of festivities in Italy. Can you imagine that at one time, at these festivities dancing was not allowed? Today it would not be a festivity without the dancing! I hope some of our members were able to travel to Italy this summer to

experience these celebrations.

After the last assembly, we had the very successful Father's Day Picnic celebration. The food was amazing and plentiful, the company and conversations merry, and the mass as usual touching. Thank you to tradition.

Our children's summer program was in full swing this summer. For those children in attendance, it was a fun-filled two weeks. We hope to continue the program next summer. Another important need that the Fogolar requires is a president for the Youth Group. With all of our young Fogolar members, I hope that there are individuals who are interested. We need leaders to carry on the Fogolar culture. The board will help and provide support in any way that they can. Please if interested contact me personally.

We have two celebrations that are currently being planned for 2010 and 2011. In September 2010, we have the Congresso dei Fogolars dal Canada. In 2011, it will be the 50th anniversary of the

Fogolar Furlan Club of Windsor. The reason I am mentioning these celebrations in this newsletter, is that we have members who are working hard now in preparation. I would like to extend my sincere thank you to these members who have taken on this responsibility.

October is nominations for the new directors of the Fogolar Furlan. I know that we have many members who are capable to fill these positions. Your presence is necessary at the general assembly in October.

To conclude this letter, October brings a very important tradition – wine making! Don't forget making a good wine depends on choosing the right grapes. So choose wisely! Who knows maybe we can have a wine tasting contest amongst members next year!

See you at the September general assembly.
